

# Our Little Gem Can Give Your Child A Priceless Education

If you live in Eagleswood and your child is ready for  
Preschool...Or, you live in another town and want to give  
your child a personalized, small-school education...

## Consider Eagleswood Elementary School

**FREE FULL-DAY PRESCHOOL:** If you live in town and your  
son or daughter will be four years old in September, sign  
up for our full-day Pre-Kindergarten. Together with your  
child's teacher in a small classroom environment, we will  
begin the groundwork for a top-notch elementary  
education.

**TUITION-BASED CLASSES FOR OUT OF TOWN STUDENTS:**  
Families love Eagleswood Elementary because its small  
size lends itself to small classes, more personalized  
attention, better parent-educator relationships and  
friendships that last a lifetime. New for the 2011-2012  
school year, we are opening our doors to non-  
Eagleswood residents who want that educational  
environment for their children. Your child will get the  
kind of education usually reserved for a small, private  
school, at a fraction of the price.

**OUR MISSION:** Eagleswood Elementary School's  
mission is to foster academic excellence through the New  
Jersey Core Content Standards in a safe and caring  
learning environment, through a partnership of family,  
staff and community.
