The ECCP is a supervised and reliable after school care program for children in grades Pre-K - 6th grade. The ECCP is operated by the school district and the Eagleswood Township Board of Education. The ECCP will provide the children with a supervised environment in an informal setting. There will be time provided for homework, indoor/outdoor activities, arts & crafts, games etc. The ECCP has a ratio of 15 children to 1 ECCP Staff Member.

A parent may enroll a child in the ECCP at any time during the course of the school year. 5-day, 4-day, 3-day, 2-day and 1-day programs are available. Tuition is paid by the parents (see Application for Tuition Rate Sheet). A registration fee and the first month's tuition are required at registration. Children's attendance at the ECCP will be terminated because of non-payment of tuition. The ECCP will operate following the school calendar. They will be open on scheduled early dismissal days from time of early dismissal until normal ECCP dismissal time. The ECCP is closed on school holidays. In the event of early closings due to emergency situations, the school is responsible to contact the parent/guardians. If severe weather occurs on scheduled half days, it is the parent's responsibility to make arrangements for child care during these times.

The ECCP will not deny admission to, terminate enrollment of, or otherwise discriminate against any child because of that child's disability. The ECCP aims to provide accommodations for children who require special services during their attendance at the program. All children must be toilet trained to attend the ECCP. The ECCP reserves the right to terminate any child from the program where the child's safety is believed to be at risk.

The ECCP follows the school's behavior policy in order to provide for the safety of each child and staff in attendance at our program. It is the ECCP's goal to resolve behavioral problems by working with the child(ren), parent and ECCP Staff through effective communication. However, should a discipline problem arise, continue, or be of a serious nature, parents will be notified in writing. Continued difficulties will result in a conference between parents and ECCP Staff. If the problem is not resolved or is of a severe nature, a child may be suspended or terminated from the ECCP. The ECCP follows the zero tolerance procedures set forth by the school district for students and parents.

The ETBOE and ECCP look forward to providing this service for you and your children. If you would like further information on the ECCP please contact the School Office at 597-3663 and they will mail you an Application and ECCP Parent Handbook.
