

Eagleswood Township Elementary School
Remote Instruction Plan 2021-2022

Students who must quarantine or isolate for COVID-19 related reasons will receive remote instruction aligned to in-person teaching and learning to the greatest extent possible. The district has purchased Wi-Fi hot spots and work with internet providers to provide additional avenues for internet connectivity for families in need of assistance.

The district has provided a Chromebook to all students and will continue to assess needs with instruction and the deployment of technology. Considerations and procedures include:

- Classroom assignments and activities will be posted to Google Classroom.
- Those students who must isolate or quarantine due to an in-school COVID-19 related matter will receive a Google Meet link from their teacher(s) within one school day. The teacher(s) will provide direct/teacher-led instruction through Google Meet as necessary. The teacher will periodically check in with students throughout other portions of the lesson(s) accordingly.
- The parents/guardians of students who must isolate or quarantine due to an out-of-school COVID-19 related matter must contact the school's main office with their request for remote instruction. Documentation (i.e. doctor's note or test results) pertaining to the out-of-school COVID-19 related matter will be reviewed and approved by the School Nurse and School Physician.
- In the event that a classroom, school, or district needs to move to a complete remote learning environment, the students will follow the regular school schedule virtually. Expectations for remote learning will be provided by the district and distributed to students via the classroom teacher.

Safe Delivery of Meals to Students

For the 2021-2022 school year, daily breakfasts and lunches will be free for all students. The federal government funds this program. If the entire school moves to remote, meals can be picked up by parents at Pinelands Regional High School every Wednesday from 10:00 am to 2:00 pm.

Meal distribution for students who must quarantine or isolate for COVID-19 related reasons are as follows:

- For students who must isolate or quarantine due to an in-school COVID-19 related matter, meal pick up will occur on the following days of the week:
 - On Monday after school, students will receive lunch for Monday and Tuesday, and breakfast for Tuesday and Wednesday.
 - On Wednesday after school, students will receive lunch for Wednesday through Friday and breakfast for Thursday through Monday.
 - If a parent/guardian cannot pick up meals at the time noted above (due to quarantine, isolation, work schedule, and/or transportation issues), they should call the school at 609-597-3663.
